★ FIRST LOST TOOTH KEEPSAKE

Hooray for Your Very First Lost Tooth!

A special bedtime delivery straight from the Tooth Fairy Palace

Date: _____ **Tooth #: #1 (Very First!)**

Dear _____,

I flew through the starry night sky as fast as my wings could carry me when I heard the big news. You lost your very first tooth! Losing a first tooth is one of the most exciting milestones in the whole world, and I was so happy to visit your pillow tonight.

I carefully tucked your bright little tooth into my stardust pouch to bring back to the Tooth Fairy Palace. We collect only the brightest, happiest teeth to help keep our fairy lanterns glowing all year long, and yours is already one of our favorites!

In return, I left a little treasure under your pillow just for you. Keep taking great care of that wonderful smile, because a brand-new grown-up tooth will be peeking through soon.

Tooth Fairy Tip: Brush every morning and every night with gentle circles to keep every future tooth extra sparkly for my next visit!

P.S. A SPECIAL NOTE FROM THE TOOTH FAIRY

With sprinkles of fairy dust and a big smile,

The Tooth Fairy
